

Innovator Learning Activities

Innovate to protect the Belize coral reefs and wider world

24. A UNESCO World Heritage Site (part 2)

Requirements: access to the internet

Innovator team: individually, in pairs or as a team of 3-5 innovators

Curriculum: Citizenship

Time: 20 minutes

Visit the [EarthMuseum Learn Digital History Explorer](#) map, choose 'World Civilisations' from the Learning Programme drop-down menu, and explore the story waypoints to find out more about each UNESCO World Heritage Site. Choose one UNESCO World Heritage Site and use the internet to explore this site further. Find out:

- Where in the world this UNESCO World Heritage Site is
- Why it is a place of natural and/ or cultural significance
- What it needs protecting from
- How communities are working together to protect it.

Create a [Guide to a UNESCO World Heritage Site](#), and show other teams where your chosen UNESCO World Heritage Site is.
